Pinocchio, Jiminy Cricket and Christian Conscience

New Course, New Location with Dr. Patricia Rooke! We introduce the study on conscience with the key characters in a children's tale and movie. Over ten weeks we will ask questions about the morality of human acts. How can something be wrong that feels so good? If being good or bad do not matter what *does* matter? How do we resolve personal struggles with conscience within a culture of moral relativism? What do all human beings have in common morally? What does scripture say about these questions? Is it enough to ask "What would Jesus do?" How do we know when we have a properly formed conscience? How do we reconcile faith with reason?

St. Elizabeth's, Sidney on Tues. 2-4pm starting on Sept. 19th - Nov. 28, Format: Lectures and small facilitator led discussion groups. Fee by donation, \$10 for printed material. **Register now to ensure a place. Contact: St. Elizabeth's parish office 250-656-7433 or email spparish@shaw.ca**

Development and Peace, Caritas Canada

Currently, many governments refuse to treat women in their countries fairly. In a number of developing countries, women do not have access to the same education, training, or financial and technical resources.

Thanks to your support, Development and Peace has continued to work with many partners who advocate for these issues. Since 1970, Development and Peace has partnered with Brazil's Federation of Organizations for Social and Educational Assistance. The FASE help women small family farmers to adopt agro-ecological practices and strengthen their independence. To learn more, visit www.devop.org and search 'agroecology.'

Going into the Hospital?

If you are planning to enter the hospital for surgery, it is spiritually advantageous to contact your parish priest and to arrange to celebrate the Sacraments of Reconciliation and Anointing prior to being admitted to the hospital. At the very least, do tell someone in your parish office that you are going into the hospital. We have no other way of knowing this information, as privacy legislation restricts the information that can be given to us by the facility.
