CWL "In Memory of Freda Smith" Diocesan Bursary (\$750): for a grade 12 Catholic student studying in the Diocese of Victoria who will be carrying on to higher education. Application deadline is March 31, 2024.

Application forms are available from the website of the Diocese Of Victoria.

K of C Bishop Thomas Lobsinger Bursary (\$1000): for post-secondary Catholic students in British Columbia up to the age of 25. Fourteen awards are available. For more information, see: <https://kofcbc.org/bishop-lobsinger-bursary-program>

Knights of Columbus Silver Rose

St Joseph the Worker Parish

The Silver Rose program demonstrates the unity between Knights of Columbus in Canada, the US and Mexico through a series of prayer services promoting the dignity of all human life and honoring our Lady. **The pilgrimage of the Silver Rose makes a stop at St Joseph the Worker church in Victoria** and provides a rosary-centred occasion for Knights, parishioners and community members to pray for respect for life, for the spiritual renewal of each nation and for the advancement of the message of Our Lady of Guadalupe.

The event will take place after the 5:00 pm Mass on Sat. Feb. 24th, everyone is invited.

40 Days for Life

Every year more than 10,000 unborn babies are killed in the womb in British Columbia and more than 100,000 in the whole country. What are the consequences for the families involved and for the soul of the nation? Will you stand by silently and do nothing? Or join with 40 Days in witnessing against this tragedy?

Since its beginnings 20 years ago in Texas, 40 Days for Life has spread to 1,000 cities in 64 countries and claims more than 24,000 lives saved. But our own group in Victoria is aging and dwindling. Please join us in our prayerful, peaceful vigil near the General Hospital, running from **Feb. 14 to Mar. 24**.

Many good works of the Church are widely admired but this one is widely reviled. We do this, nonetheless, knowing the Pro-Life movement is fully opposed to the spirit of this age and its belief that individual rights trump the right to life. Mostly we need patience and warm clothing but sometimes we need courage and forbearance in the face of those whose values we challenge. To join in, please call Glenda at 250-661-2613

Old Palms

You are invited to bring your old palms to the Church and place them in the marked box located in the vestibule. The palms will be burned and the ashes used for:

Ash Wednesday – Wed., Feb. 14th - Mass at 12:10 pm

Ash Wednesday, which marks the beginning of the 40-day penitential season of Lent.

Ash Wednesday is one of two days prescribed by the Church for **FASTING & ABSTINENCE** (the other being Good Friday)

FASTING: All Catholics aged 18–59 are obliged to fast. One full meal may be taken, as well as up to two smaller meals which combined do not equal that of a full meal. Note that those who are suffering from chronic illnesses such as diabetes, women who are pregnant or nursing, and those who are sick are exempt from fasting. In all cases common sense should prevail, and ill persons should not further jeopardize their health by fasting.

ABSTINENCE: All Catholics aged 14 and up are obligated to refrain from eating meat.

Throughout Lent, we seek the Lord in prayer by reading Sacred Scripture; we serve by giving alms; and we practice self-control through fasting. We are called not only to abstain from luxuries during Lent, but to a true inner conversion of heart as we seek to follow Christ's will more faithfully. We recall the waters of baptism in which we were also baptized into Christ's death, died to sin and evil, and began new life in Christ.

Stations of the Cross

During Lent, Stations of the Cross devotions will be offered **every Friday at 7:00pm**

Catholic Women's League

CWL meeting is on **Wed. Feb. 14th at 1:00pm** in the Msgr. Wood Rm.

Victoria Diocesan Catholic Women's League

"In Memory of Freda Smith" Bursary

She came to Canada in 1926, settling in Regina; relocating to Victoria in 1946 promoting education whenever possible. She was an active member of the Catholic Women's League, earning the League's highest honour in 1958.

The Bursary (\$750.00) is awarded annually to a graduating Catholic student within the Diocese of Victoria. This Bursary will be awarded to a student proceeding on to a form of higher education. More information and applications can be found on-line by [clicking here](#) **Deadline for applications is Mar 31st**

Announcement of Ordination:

Deacon Joseph Yuson

It is with great joy that I announce, after consulting with the Diocesan Consultors, that Deacon Joseph Yuson, a seminarian for the Diocese of Victoria, presently in formation at St. Joseph's Seminary in Edmonton, Alberta, will be ordained to the Ministerial Priesthood on **Saturday, June 22, 2024 at 10:00 am at St. Andrew's Cathedral in Victoria**.

This is good news indeed for our Diocese. All are invited to join the celebration by participating in Deacon Joseph's ordination Mass, either in person at St. Andrew's or via the livestream at: <https://www.youtube.com/c/RCDVictoriaLiveOne/>

Your prayers for Joseph and his intentions are appreciated as he prepares for service as a ministerial priest to the People of God in the Diocese of Victoria. Please also pray that we all may discern the vocation which God has planned for us, and respond generously and whole-heartedly to His call.

MESSAGE OF HIS HOLINESS POPE FRANCIS
XXXII WORLD DAY OF THE SICK

11 February 2024

“It is not good that man should be alone”.

Healing the Sick by Healing Relationships

“It is not good that man should be alone”

(cf. Gen 2:18).

From the beginning, God, who is love, created us for communion and endowed us with an innate capacity to enter into relationship with others. Our lives, reflecting in the image of the Trinity, are meant to attain fulfilment through a network of relationships, friendships and love, both given and received. We were created to be together, not alone. Precisely because this project of communion is so deeply rooted in the human heart, we see the experience of abandonment and solitude as something frightening, painful and even inhuman. This is all the more the case at times of vulnerability, uncertainty and insecurity, caused often by the onset of a serious illness.

In this regard, I think of all those who found themselves terribly alone during the Covid-19 pandemic: the patients who could not receive visitors, but also the many nurses, physicians and support personnel overwhelmed by work and enclosed in isolation wards. Naturally, we cannot fail to recall all those persons who had to face the hour of their death alone, assisted by healthcare personnel, but far from their own families.

I share too in the pain, suffering and isolation felt by those who, because of war and its tragic consequences, are left without support and assistance. War is the most terrible of social diseases, and it takes its greatest toll on those who are most vulnerable.

At the same time, it needs to be said that even in countries that enjoy peace and greater resources, old age and sickness are frequently experienced in solitude and, at times, even in abandonment. This grim reality is mainly a consequence of the culture of individualism that exalts productivity at all costs, cultivates the myth of efficiency, and proves indifferent, even callous, when individuals no longer have the strength needed to keep pace. It then becomes a throwaway culture, in which “persons are no longer seen as a paramount value to be cared for and respected, especially when they are poor or disabled, ‘not yet useful’ – like the unborn, or ‘no longer needed’ – like the elderly” (Fratelli Tutti, 18). Sadly, this way of thinking also guides certain political decisions that are not focused on the dignity of the human person and his or her needs, and do not always promote the strategies and resources needed to ensure that every human being enjoys the fundamental right to health and access to healthcare. The abandonment of the vulnerable and their isolation is favoured also by the reduction of healthcare merely to a provision of services, without these being accompanied by a “therapeutic covenant” between physicians, patients and family members.

We do well to listen once more to the words of the Bible: “It is not good for man to be alone!” God spoke those words at the beginning of creation and thus revealed to us the profound meaning of his project for humanity, but at the same time, the mortal wound of sin, which creeps in by generating suspicions, fractures, divisions and consequently isolation. Sin attacks persons and all their relationships: with God, with themselves, with others, with creation. Such isolation causes us to miss the meaning of our lives; it takes away the joy of love and makes

us experience an oppressive sense of being alone at all the crucial passages of life.

Brothers and sisters, the first form of care needed in any illness is compassionate and loving closeness. To care for the sick thus means above all to care for their relationships, all of them: with God, with others – family members, friends, healthcare workers –, with creation and with themselves. Can this be done? Yes, it can be done and all of us are called to ensure that it happens. Let us look to the icon of the Good Samaritan (cf. Lk 10:25-37), to his ability to slow down and draw near to another person, to the tender love with which he cares for the wounds of a suffering brother.

Let us remember this central truth in life: we came into the world because someone welcomed us; we were made for love; and we are called to communion and fraternity. This aspect of our lives is what sustains us, above all at times of illness and vulnerability. It is also the first therapy that we must all adopt in order to heal the diseases of the society in which we live.

To those of you who experience illness, whether temporary or chronic, I would say this: Do not be ashamed of your longing for closeness and tenderness! Do not conceal it, and never think that you are a burden on others.

The condition of the sick urges all of us to step back from the hectic pace of our lives in order to rediscover ourselves.

At this time of epochal change, we Christians in particular are called to adopt the compassion-filled gaze of Jesus.

Let us care for those who suffer and are alone, perhaps marginalized and cast aside. With the love for one another that Christ the Lord bestows on us in prayer, especially in the Eucharist, let us tend the wounds of solitude and isolation. In this way, we will cooperate in combating the culture of individualism, indifference and waste, and enable the growth of a culture of tenderness and compassion.

The sick, the vulnerable and the poor are at the heart of the Church; they must also be at the heart of our human concern and pastoral attention. May we never forget this! And let us commend ourselves to Mary Most Holy, Health of the Sick, that she may intercede for us and help us to be artisans of closeness and fraternal relationships.

Rome, Saint John Lateran, 10 January 2024

Development and Peace “Stand for the Land”

D&P continues to support social justice groups in the global south. This year’s campaign is titled “Reaping our Rights”. Its focus is supporting agricultural and environmental issues. We support defense of rural communities’ right to life, land, water, biodiversity, justice, health, participation in community, decent livelihoods and a healthy environment.

Pope Francis said “Goodness, together with love, justice and solidarity are not achieved once and for all; they have to be realized each day?”, so D&P joins with established groups to help them in their defense of life and livelihood.

Here are some of our partners:

Indonesia: Training next generation farmers to improve their agricultural skills and encourage youth to make agriculture their life’s work. Educating the farmers in rural entrepreneurship. To ensure village sovereignty so that farming communities can lead more just, dignified and sustainable lives. Our partner is Payo-Payo – a Peasant School.

Bolivia: Supporting Indigenous and farming communities. To enhance rural, Indigenous farming families’ living conditions, support agro-ecology projects that improve food sovereignty and environmental conservation. To support food processing ventures like cheese, yogurt and ice-cream manufacturing that increase and diversify family incomes. Our partner is a Foundation called NUNA.

Nigeria: Denouncing oil pollution. To work on issues of climate justice, food sovereignty and oil pollution. Defending farmers’ rights to protect their lands from pollution and contamination by the oil industry in southern Nigeria. Our partner is HOMEf (Health of Mother Earth Foundation).

ADVERTISE: Your ad can be in the bulletin. Call the parish office at 250-388-5571 for more information or email: office@gop.ca We appreciate the support of these sponsors. Please support them.
