Choose Life Vigil

Once again Choose Life Victoria implores people who wish to defend life to join us as we hold a prayerful, peaceful and positive vigil across the street from the regional abortion clinic in View Royal, site of a thousand abortions a year. Please unite in this 40 Days for Life vigil with Catholics and other Christians in the U.S., Canada and around the world. We try, with positive and compassionate prayers and signage to convey God's love for the often-distraught young women and girls but also to send the message that there is a better way to respond to an unexpected pregnancy, and that help is available to find that way. For more info, **go to www.40daysforlife.com/victoria/, or contact coordinator Alex Berns at 250-508-7839 or email: fortydaysvictoria@hotmail.com.**

Development and Peace

Create a Climate of Change, in accordance with Pope Francis' encyclical, Laudato Si, Development and Peace is concentrating this fall season on how important it is for Catholics to participate in lowering CO2 emissions. The climate can change, as we have noticed this summer – not necessarily a fault of the human element. BUT society's use of fossil fuels and extraction of the same increases the effect of climate change.

Are you doing any of the following:

1. Making a personal commitment towards lifestyle change that will help reduce your carbon footprint like taking public transportation or buying locally?
2. Supporting local green initiatives in your home, parish, community?
3. Asking your candidates for government how their party plans to be a leader in abandoning harmful fossil fuels and transition to renewable energies?

Please consider these questions and look forward to a campaign to encourage our new government to support a commitment to CO2 emission reduction at the COP21 climate negotiations in December.
